Re: Unitrans Techniek BV and Smeertechniek Rotterdam VOF join forces!

Dear Sir / Madam,

With great enthusiasm we inform you that the business activities of Unitrans Techniek have been taken over by Smeertechniek Rotterdam.

With the extensive knowledge of Unitrans Techniek combined with the broad experience of Smeertechniek Rotterdam we see a perfect and complete package for the future which enables us to develop further as a business partner in the area of lubrication equipment, hose reels, flow measurement and diaphragm pumps.

The e-mail address, logo, website and trade name for Unitrans Techniek remain the same, as do the contact persons and the telephone number.

The following details will change as of October 1, 2021:

The invoicing, delivery and visiting address will change to:

Smeertechniek Rotterdam VOF
Cairostraat 74
3047 BC Rotterdam
Netherlands

VAT number NL818665531B01
